

TEAMWORK

Everyone was very excited. We met at the bus station at 8:15 a.m. Every student said good bye to their parents and the bus arrived. The busride took 45minutes. Ona we got there,we got two maps and had to find the Saizhütte. We walked for a very long time and then we found the Saizhütte. In the hut, we had a little break and ate something. After that, we made teams but the tutor decided who was in which team. One team made a bonfire and the other team went to the low rope course. One person had a scarf around their eyes. We had to lead the blind person on the low rope course. It was very exciting because we needed much trust. After that the whole the class walked to the Albläufer, it was exhausting. Then we saw the Albläuferhaus. Mr Ferdinand said who was in which room. The rooms were very big and there were many beds. In the evening, we played "Räuber und Gendarm" together. After that, all students went to bed.

On the next morning, we had breakfast at 7.00 a.m. After that, we put on warm clothes. At 9o'clock we formed teams. One team went at 10.30 a.m and made a bonfire. Another team went at 10.35 a.m and they did an outdoor game. At 10.50 the next team went. At 10.55 the last team went. Again , with maps we had to find our destination. Two teams went a wrong way and got lost. But after 3 hours, the two last teams found the destination. There, we climbed and played a game and made other things. Before it got dark, we went home. There we had dinner. After that we played "Räuber and Gendarm" again. Mrs Brändle played cards with other people. At 10 o'clock we went to bed. We couldn't wait till the next day.

Ring, ring the alarm went off, at half past six! We stood up and put on our clothes, went upstairs and ate breakfast. There was bread with nutella and butter. After breakfast, we went to our rooms, there we packed our bags and made our beds. After that, we brushed our teeth. Then we went to our room and spoke about the school. Annika and Melissa said "buh!" We were very scared. Then we had to go to the seminarroom. There, we spoke about the last two days. After that came the tidying. We had to tidy our room, the toilets, the staircase and many others things. Finally, we were finished. We went to the bus and drove back. All parents were waiting there. We stepped out of the bus and we took our mums in our arms. The bus drove away. Suddenly, Emily's mum asked:"where is your bag?" Emily answered:"Oh no! It is still in the bus!"

After all, we got the bag back. :-)
